

Health Care Career Discovery (HCCD) is an endeavor that combines interactive classroom learning and observation in a health care setting designed to give students the opportunity to explore careers in health care firsthand. Sessions are offered from 5:30–7 p.m. (see calendar on opposite side). Each session offers interactive presentations about a specific department/unit within the hospital, and an in-depth glimpse into the various careers within that department/unit, and a question-and-answer period. Each session will offer students the opportunity to sign up to shadow within these areas of the hospital. HCCD is an excellent way to introduce students to the variety of career opportunities available in the health care field and to allow them to explore, in detail, particular areas of interest.

To register for programs, please complete the application from the website ([lvhn.org/highschoolstudents](http://lvhn.org/highschoolstudents)) and fax to the number or mail to the address listed on the application.

For more information, go to [lvhn.org](http://lvhn.org), click on “Education,” then “High School Student,” then “Health Care Career Discovery.” Additional student program offerings also are listed on the “High School” page.

### Participants must:

- Be at least 14 years of age and have completed 8th grade.
- Submit a complete application that will include: application with information, consent to participate, emergency information, photography consent form, acknowledgment of confidentiality form (signed by applicant and parent/guardian if under 18).
- Register for each presentation no later than one week prior. Attendance at relevant presentation prior to shadowing is a requirement.

### Additional Requirements Necessary to Shadow/Observe

#### Students must:

- Have attended at least 3 HCCD sessions.
- Submit completed application forms including Health Certification (signed by a health care professional) with TB questionnaire (if under 18) or proof of one current negative TB test within the last 3 months (if over 18).
- Be at least 16 years of age.

*Approval for shadowing may take 8–10 weeks.*

**CC** = Lehigh Valley Hospital–Cedar Crest, 1200 S. Cedar Crest Blvd., Allentown, PA 18103. Programs will take place in the Kasych Family Pavilion, Medical Imaging of Lehigh Valley Educational Conference Center rooms 6, 7 and 8. Park in the visitor lot, the two-story garage in front of the hospital. The Kasych Family Pavilion is farthest to the right (west). The ECC rooms are through the double doors and ahead to the left.

**MUH** = Lehigh Valley Hospital–Muhlenberg, 2545 Schoenersville Road, Bethlehem, PA 18017. Programs will take place in The Frank Banko Educational Conference Center, rooms B, C and D (located in the main hospital building on the first floor next to the gift shop). Park in the visitor lot in the front of the hospital. Enter under the big blue “H.” Turn left at the entrance and the rooms are on the right after the front desk, the pharmacy and the gift shop.
