## Directions

### **General Directions**

DeSales University is located on Station Avenue in Center Valley, Pa., 1 mile south of Route 378; just a mile from where Route 309 meets Route 378. At the intersection of Route 309 and Route 378, follow Route 378 North to Preston Lane. Make a right on Preston Lane to campus, and follow to Landis Mill Road. Turn right and take Landis Mill Road to Station Avenue. Turn left onto Station Avenue.

### **From Points South**

**Philadelphia and South Jersey:** Take I-76 West through Philadelphia to I-476, the Northeast Extension of the Pennsylvania Turnpike, to Exit 32/44 (Quakertown). Turn left onto Route 663 North toward Quakertown, turn left onto Route 309 North, and proceed 8 miles to the intersection of Route 309 and Route 378. Follow General Directions above.

### **From Points West**

**Harrisburg and Southcentral PA:** Take Route 81 North and proceed East on I-78 to Route 309 South (Exit 60). Continue south on Route 309 for about 3 miles to the intersection of Route 309 and Route 378. Follow General Directions.

### **From Points North**

**Scranton and North:** Take I-476, the Northeast Extension of the Pennsylvania Turnpike, to Exit 33/56 (Lehigh Valley). Follow Route 22 East from the interchange exit for 1/8 mile to Route 309 South (direction of Quakertown). In a few miles Route 309 joins with I-78 East. Continue south on this combined road until Route 309 branches off toward the south at Exit 60. Continue south on Route 309 for about 3 miles to the intersection of Route 309 and Route 378. Follow General Directions.

### **From Points East**

**Northern/Central New Jersey:** Take the New Jersey Turnpike and/or Route 287 to I-78. Follow I-78 West across New Jersey and into Pennsylvania to Route 309 South (Exit 60A). Continue south on Route 309 for about 3 miles to the intersection of Route 309 and Route 378. Follow General Directions.

- Describe the clinical physiology and pathology associated with acute lung injury (ALI) and refractory hypoxemia.
- Define pediatric rehabilitation and its role in the care of pediatric trauma patients.
- Summarize the research on medical traumatic stress and pediatric trauma.
- Assess the impact of a bad decision and the importance of prevention.
- Describe the initial management of adult and pediatric burn patients.
- Determine gang implications for emergency nurses, physicians, paramedics, law enforcement and social workers.
- List the various nontraditional substances that are used as stimulants, downers and hallucinogenics.
- Describe the multiple affects of traumatic brain injury.
- Identify the potential hemodynamic instability with an elderly patient who has fallen and who takes anticoagulation.
- Summarize the various ways to transport a critically ill child safely in an ambulance.
- Describe the treatment modalities of a spinal cord injury through the continuum of care.
- Identify and discuss the signs and symptoms of abdominal hypertension.
- Describe how the cause of death was determined for various famous people who have suffered from traumatic injury.
- Analyze a patient and family trauma personal perspective case study to improve trauma experiences for future patients.

## Target Audience

Registered nurses and allied health care providers who are caring for trauma patients

## Designation Statement

It is Lehigh Valley Health Network’s policy to ensure balance, independence, objectivity and scientific rigor in all of our sponsored educational programs. Faculty and all others who have the ability to control the content of continuing education activities sponsored by Lehigh Valley Health Network are expected to disclose to the audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s).

Lehigh Valley Health Network is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation. Registered nurses attending the entire program and completing the evaluation tool will receive 6.0 contact hours for Day 1 and 5.4 contact hours for Day 2.

Approval of this continuing nursing education activity refers to recognition of the educational activity only and does not imply ANCC Commission on Accreditation or PA Nurses approval or endorsement of any product.

Lehigh Valley Health Network has been designated a preapproved sponsor provider of professional continuing education for social workers, marriage and family therapist and professional counselors by the State Board of Social Workers, Marriage and Family Therapist and Professional Counselors. License # 002613. This educational activity has been approved for 5 CEUs per day.

Application has been made to the American Association for Respiratory Care (AARC) for continuing education contact hours (CRCE).

Application has been made for Pre-Hospital credits. Approval is pending.

## Conference Information

### Registration

Onsite registrations are welcome, but be prepared to take a little longer at the registration desk when you arrive. Cash or check is the only method of payment acceptable.

### Payment

Payment must accompany this form. Registration forms received without payment will not be processed until payment is received.

### Fees, Cancellations and Substitutions

Registration fee for the conference includes the educational program and any food event listed in this brochure. Refunds will be granted up to one week prior to the conference, minus an administrative fee. After that date no refunds will be granted. Lehigh Valley Health Network reserves the right to substitute faculty listed in this brochure and will provide comparable alternative faculty.
