

# Health Center at Kutztown

At the Health Center at Kutztown, in one convenient location you can see doctors in women's health and specialty care, have blood tests and X-rays done, and complete your physical therapy.

If you need to see a physician or have testing done at Lehigh Valley Hospital-Cedar Crest, our FREE shuttle will take you there. The Better Health for Life Shuttle is safe, worry-free transportation. We will pick you up at the Health Center at Kutztown and drop you off there on your return. **For information on departure times and seat reservations, call 610-683-8363.**
