

Health Center at Trexlertown

At the Health Center at Trexlertown, you can see doctors in women's health, pediatrics, podiatry, rheumatology and family medicine in one convenient location. The center also provides blood-testing services, X-rays, mammograms, physical therapy and specialized health programs. You can receive specialized care for Down syndrome. Plus, you can access all these services and still get some shopping done. We're located in The Shoppes at Trexlertown next to Kohl's. **Call us at one convenient phone number, 610-402-9355.**
