

# Health Center at Hamburg

At the Health Center at Hamburg, you can see family medicine doctors and specialists such as cardiologists, gastroenterologists and urologists in our convenient location. The center also provides blood-testing services and X-rays. If you need to see a physician or have testing done at Lehigh Valley Hospital-Cedar Crest, we provide a free shuttle service that will pick you up at our health center and drop you off there on your return. Lehigh Valley Health Network is pleased to offer this comprehensive care in your neighborhood.
