

Health Center at Kutztown

At the Health Center at Kutztown, in one convenient location you can see doctors in women's health and specialty care, have blood tests done and complete your physical therapy.

If you need to see a physician or have testing done at Lehigh Valley Hospital-Cedar Crest, our FREE shuttle will take you there. The Better Health for Life Shuttle is safe, worry-free transportation. We will pick you up at the Health Center at Kutztown and drop you off there on your return. **For information on departure times and seat reservations, call 610-683-8363.**
