

The Upper Bucks Health & Diagnostic Center

Welcome to the **Upper Bucks Health & Diagnostic Center**, a partnership between Lehigh Valley Health Network and Grand View Hospital. Grand View Hospital has been providing high-quality care to Bucks and Montgomery counties for nearly 100 years. Lehigh Valley Health Network is well-known for specialty care. Together, we're bringing the best of our services to Quakertown. In one convenient location, you can receive primary and specialty care for children and adults, physical and occupational therapy for children and adults, as well as diagnostic imaging and laboratory services. **See us and get your shopping done, all in one trip.** We're located in the Quakertown Plaza Shopping Center.
