

Financial Coordination

*E*xploring

*financial options to
ease concerns during
your medical care*

Our financial coordinators will provide you with private, individualized information.

Please meet with our financial coordinators to discuss financial questions or concerns. Friends and family are always welcome.

Our financial coordinators are available to help minimize the confusion and stress that can be caused by financial concerns. The coordinators will work with you to answer questions about your health insurance, precertification requirements, medical bills and financial assistance.

Here are some of the ways the financial coordinator will help:

- Make sure we have the right information about your insurance
- Explain how to read your bills and when to ask questions about them
- Estimate your out-of-pocket medical expenses
- If you need financial help, determine what programs you qualify for
- Explain what your health insurance covers
- Explain your health insurance options

To help pay doctor and hospital bills:

- Explain how you may be able to get secondary insurance (insurance that pays for things that your primary insurance doesn't)
- Determine if you qualify for Health-Choices or Medical Assistance (the Pennsylvania health plan for low-income residents) as either your primary or secondary insurance
- Set up a discount plan or monthly payments, if you qualify
- Help with insurance billing problems
- Coordinate with your physician's office to appeal an insurance company denial

To help pay for your medications:

- Help you get discount cards that reduce the cost of prescriptions
- Help you learn about drug company programs that provide free medicines to qualifying individuals
- Explain Pennsylvania's prescription drug program for low-income seniors

This service is **FREE** to all patients.
Call 610-402-7849/1075 for an appointment.

**Financial coordinators are
available Monday through Friday,
8 a.m. - 4 p.m.**

**For more information or to
schedule an appointment,
call the coordinators at
610-402-7849 or 610-402-1075.**
