Designation Statement

It is Lehigh Valley Health Network's policy to ensure balance, independence, objectivity and scientific rigor in all of our sponsored educational programs. Faculty and all others who have the ability to control the content of continuing education activities sponsored by Lehigh Valley Health Network are expected to disclose to the audience whether they do or do not have any real or apparent conflict(s) of interest or other relationships related to the content of their presentation(s).

Lehigh Valley Health Network is accredited by the Pennsylvania Medical Society to provide continuing medical education for physicians.

Lehigh Valley Health Network designates this live educational activity for a maximum 6.4 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the educational activity.

Lehigh Valley Health Network is an approved provider of continuing nursing education by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Registered nurses attending the entire program and completing the evaluation tool will receive 6.4 contact hours. Approval of this continuing nursing education activity refers to recognition of the educational activity only and does not imply ANCC Commission on Accreditation or PA Nurses approval or endorsement of any product.

This program is approved for 6 hours (0.6 CEUs) by Lehigh Valley Health Network Pharmacy Department who is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. A statement of CE credit will be mailed within four weeks upon successful completion of an evaluation and post-test. This is a knowledge-based activity.

10592 - 08/2013

The 5th Annual Fleming Infection Prevention and Infectious Diseases Symposium

An Intent to Prevent

Friday, Sept. 27, 2013
7:30 a.m.–4 p.m.

Lehigh Valley Hospital–Cedar Crest
Kasych Family Pavilion
1200 S. Cedar Crest Blvd.
Allentown, PA 18103

Program Objectives

1. Discuss three novel strategies aimed at reducing health care-acquired infections.
2. Describe proactive infection control measures to prevent the transmission of health care-acquired infections.
3. Discuss three barriers that universal (mandatory) vaccination programs have encountered and strategies to improve successful program implementation.
4. Explain three infection control measures to maximize patient safety in the handling of compounded sterile preparations.
5. Discuss the current SHEA guidelines and the US Public Health Service guidelines designed to prevent transmission of blood-borne pathogens.
6. Determine three driving factors that can resuscitate basic and unquestioned infection control practices using current evidence.

Target Audience

Physicians, nurses, advanced practice clinicians, pharmacists, respiratory therapists and other health care providers who work in infectious disease, internal medicine, primary care, hospitals, laboratory, nursing homes, home care and office practices
