DEFINITIONS OF SUPERVISION

(a) DIRECT SUPERVISION - The physical presence of the supervising physician on the premises so that the supervising physician is immediately available to the allied health professional when needed.

(b) SUPERVISION - The control and personal direction exercised by the supervising physician over the medical services provided by an allied health professional. Constant physical presence of the supervising physician is not required so long as the supervising physician and the allied health professional are, or can easily be, in contact with each other by radio, telephone or telecommunications. Supervision requires the availability of the supervising physician to the allied health professional.

(c) SUPERVISING PHYSICIAN IN ATTENDANCE - Physical presence of supervising physician in room.

* ATTENTION SUPERVISING PHYSICIAN: Your signature, title and date are required on the first line of the signature page of this document.
