

How to Enroll in MyLVHN

You can activate your MyLVHN account in a few ways.

1. With an activation code that you received at a Lehigh Valley Health Network (LVHN), Lehigh Valley Physician Group (LVPG) or Coordinated Health office visit.

(Find the activation code on your after-visit summary.)

- Go to MyLVHN.org or download MyLVHN app
- Select “Sign Up Now” button
- Complete the online form. You will need your personal activation code, date of birth and last for digits of your Social Security number.

2. Without an activation code.

- Visit MyLVHN.org or download MyLVHN app
- Select “Sign Up Now” button
- Select “Sign Up Online” to complete the online form. You will need to provide your Social Security number. If available, include your Lehigh Valley Health Network medical record number.

3. During an LVHN, LVPG or Coordinated Health office visit.

You also can activate your account during a visit with your with your LVHN, LVPG or Coordinated Health provider – or call our patient access center at 888-402-LVHN (5846).
