

# Patient and Family Advisory Council for Obstetrics

## Next steps:

If you are interested in this opportunity to be a patient experience adviser (PEA) volunteer, please complete the application at [LVHN.org/PEAVolunteer](https://LVHN.org/PEAVolunteer).

After your application is reviewed, a member from the council will contact you to discuss your involvement and next steps.

If you have any questions, please contact Deanna Shisslak, LVHN Parent and Family Education Program Manager, at 610-402-5700 or [Deanna.Shisslak@lvhn.org](mailto:Deanna.Shisslak@lvhn.org).

**Thank you again for choosing  
Lehigh Valley Health Network.**

Visit [LVHN.org/PEAVolunteer](https://LVHN.org/PEAVolunteer)  
or call 610-402-5700.

## Dear Patient and Family,

Thank you for choosing Lehigh Valley Health Network (LVHN) as your partner in health care. As a valued patient, we invite you to apply to become a member of the recently formed Obstetric Family Advisory Council (OFAC). The intent of this council is to inspire quality improvement and growth in obstetric care at LVHN.

As a member of the OFAC, your voice as a patient experience adviser would be used to help improve how we deliver care. The aim of this council is to:

- Bring a patient and family viewpoint to our leadership team to improve our care delivery.
- Assist in guiding decisions, priorities and plans for future development.
- Enhance the relationship with our patients to develop new and creative ideas for growth.

## We are looking for members who:

- Have been a recent obstetric patient or family member of an obstetric patient at LVHN.
- Want to improve the obstetric experience at LVHN.
- Will share and talk about your care and obstetric experience with LVHN leaders and staff of the LVPG Obstetrics and Gynecology department.
- Are willing to think about views from people of backgrounds and experiences that may be different from your own.
- Can commit to quarterly virtual meetings held on the third Wednesday of each month. Meeting time is 5:30-6:30 p.m.
