The Joseph F. McCloskey School of Nursing is fully accredited and maintains continuing accreditation with the Accreditation Commission for Education in Nursing (ACEN). You can verify our accreditation status on the ACEN website at:

For the reporting period of October 1, 2024, through September 30, 2025, the NCLEX-RN (National Council Licensure Examination for Registered Nurses) pass rate for our graduates, as reported by the Pennsylvania State Board of Nursing, is 76.9%, which falls below our expected level of achievement of 80%. As a result, the school is currently on provisional approval status with the PA State Board of Nursing.

The encouraging news is that many graduates have already retaken the NCLEX, and our overall pass rate now exceeds 85%.

Lehigh Valley Health Network, part of Jefferson Health, remains deeply committed to nursing education at the Joseph F. McCloskey School of Nursing.
