

# Health Center at Bethlehem Township

**At the Health Center at Bethlehem Township**, in one convenient location you can receive primary and specialty care, have blood tests, X-rays and diagnostic testing done, and complete your physical therapy. This year, we are adding new services including walk-in care, sleep studies and digital mammography. Also coming soon are new physician services for women and children. Lehigh Valley Health Network is in your neighborhood. And we're here for you. **Call us at one convenient phone number, 610-868-0609.**
