## Medication Safety

### Basic Proficiency in Medication Administration For In-Patient Paramedics (ALS- TP's) Assessment

**You have been scheduled to complete the  
Basic Proficiency in Medication Administration Assessment**

#### ***In-Patient Paramedics (ALS- TP)***

- This validated and reliable testing tool measures the knowledge and abilities necessary for *In-Patient Paramedics (ALS- TP)* to safely administer medications to a general adult population.
- An overall score of 80% is required for successful completion of the assessment and prior to administering medications to patients.
- If an overall score of 80% is not attained, opportunity to retake the assessment will be provided.
- Calculators may be utilized during the assessment.
