CPR CERTIFICATION / CPR RE-CERTIFICATION

Updated 4.13.26

- BLS (CPR) course offerings can be found on the LVHN intranet.
- On the LVHN homepage, select Departments, Non-Clinical, EMI. Select course type, choose date, and use the registration form to enroll in the course of your choice.
- Newly hired employees who need CPR certification will continue to attend Orientation CPR. Classes are held monthly at EMI.
- **All participants must be pre-registered for courses and we encourage all Unit Manager/PCS's to forward confirmation e-mails to the orientee to ensure that they are not turned away. If the orientee is not pre-registered they will not be able to attend the class.**

If you need any additional assistance, please call EMI **484-884-0011**.

Basic Proficiency in Medication Administration

**You have been scheduled to complete the
Basic Proficiency in Medication Administration Assessment**

- **All Experienced and Newly Licensed RN will take the Adult version of the assessment.**
- This validated and reliable testing tool measures the knowledge and abilities necessary for registered nurses to safely administer medications to a general adult population.
- The test is computer based, 60 multiple-choice questions, with a 75-minute time allowance. The test includes three categories of questions:
 - Calculations
 - Principles of Medication Administration
 - Drug Effects
- An overall score of 80% is required for successful completion of the assessment and prior to administering medications to patients.
- If an overall score of 80% is not attained, opportunity to retake the assessment will be provided.
- Calculators may be utilized during the assessment.
