United Health uses the term "notification" the same way every other company uses the term "precertification"  
 Offices must call 1-866-889-8054 for notification/certification for all PET Scans, CTA and CT scans.  
 New United HC cards for the Unison Product will have the words "COMMUNITY PLAN" in a box next to United HC .When offices say the patient has United HC you should be asking if the card has COMMUNITY PLAN on it. PET scans do need precert unless the doctors office is a GOLD STAR provider.  
 If United Health Care is secondary to Medicare it does *NOT* need precert and is not plan related.  
 If United Health Care is secondary to any other insurance except Medicare, it still needs to be checked.  
 Prenotifications are IV Contrast specific-the office must precert with or without IV Contrast specifically
